Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2021	1. Strategic	1. UNFPA needs to continue aligning the CP to Libya's felt development and humanitarian needs. The 2nd CP should incorporate advocacy, strategic partnerships and innovative resource mobilization to maximize its potential to contribute to strategic results within the country, while at the same time providing additional service support and capacity development to the most vulnerable and marginalized populations in underserved and needy areas while focusing on durable solutions for the existing humanitarian crisis.	Accepted	High	1.1. Country Program development_Advocacy	1.1. Ensure the 2 nd CPD focuses on advocacy and strategic partnership to maximize its potential to contribute to strategic results within the country	Dec. 2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2021	1. Strategic		Accepted	High	1.2. Country Program development_Program design	1.2. Ensure the 2 nd CPD includes service support and capacity development while building community resilience using the humanitarian-development-peace nexus.	Dec. 2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2021	1. Strategic		Accepted	High	1.3. Country Program development_Resource mobilization	1.3. The new Integrated Resource Mobilization and Partnership Plan includes innovative and new strategies to mobilize resources from existing and new sources during the 2nd CPD.	Dec. 2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic	2. Enhance development and strengthening of the level and intensity of policy dialogue in the CP's component areas to enhance structured engagement with the national authorities for desired support and realization of desired changes in policy	Accepted	High	2. Country Program development_High level policy dialogue	2. High level advocacy interventions with national authorities are included in the 2nd CPD and the UNSDCF.	2024
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic	3. Prioritize increased partnership and strengthen integration within the CP in the implementation of the CP components to increase efficiency and continue optimizing on the operations management strategies, including enhanced internal controls, finance and logistics management, human resources, among others, in addition to diversifying resource mobilization and strengthening staff capacity building in their respective areas weakness	Accepted	Medium	3.1. Country Program development_Program integration	3.1. Enhance the integration of the CP components in the 2nd CP and strengthen partnerships with local IPs for efficiency, outreach and resource mobilization.	Dec. 2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic		Accepted	Medium	3.2. Country Program development_IP capacity	3.2. Organize a capacity building program to strengthen local IPs' capacities for efficiency, outreach and resource mobilization.	2024
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic		Accepted	Medium	3.3. Program and operations' efficiency	3.3. In collaboration with the regional office (HR strategic partner) and HQ relevant departments, build the capacity of the CO personnel in their respective areas of weakness to increase program and operational efficiency through learning courses and on-job training.	2024

Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic	4. UNFPA should continue capacity building and systems strengthening, in collaboration with the government line ministries, in addition to increased engagement of the municipalities, IPs and strengthening of affected communities' structures to enhance oversight within the COVID-19 and migration constraints.	Accepted	High	4. Institutional capacity development	4. Ensure that at least 28% of the 2nd CP resources are allocated for institutional capacity development of the various partners.	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic	5. There is need for the UNFPA CO to continue building and strengthening partnerships with other UN Agencies, in addition to sourcing and pooling resources to support joint activities of the UNCT thereby enhancing the comparative advantage of UNFPA in addition to eliminating overlaps and duplication of efforts coverage.	Accepted	High	5. Leadership	5. Ensure UNFPA maintains its leadership for three interagency working groups.	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Strategic	6. There is need to strengthen the intervention logic of the CP results and resources framework to ensure that it has relevant outcome and output indicators as well as stronger alignment of interventions to the outcomes and outputs. Invest in operations research to inform the CO on the changes arising from the knowledge-based and advocacy interventions.	Accepted	High	6. Output operationalization	6. Ensure that the Country program output operationalization tool is used by the program officers in developing annual workplans for UNFPA and with IPs.	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic Reproductive Health and Rights	7. UNFPA should continue to strengthen technical and financial support for integrated services in the areas of its mandate in SRHR, emphasize advocacy and partnership to ensure government commitment and ownership in the implementation of the RMNCAH strategy and SOPs for quality service delivery and institutionalization of the programme strategies in the country.	Accepted	High	7. RMNCAH institutionalization	7. Provide technical and financial support to the Libyan government for the update and/or development of the new RMNCAH strategy in collaboration with sister UN agencies.	2024
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic Reproductive Health and Rights	8. UNFPA should enhance demand creation for increased uptake of services especially by the most vulnerable and those left furthest behind, in addition to supporting scale-up of interventions to address family planning	Accepted	High	8. Demand creation	8. The 2nd CP focuses on demand creation and community mobilization to change negative social norms and reduce harmful practices.	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic Adolescent and Youth	9. UNFPA should enhance capacities to increase integration of youth- and adolescent-friendly RH information and services and reproduction rights. Strengthen partnerships and coordination to increase access to RH services by the youth and adolescents.	Accepted	High	9. Country Program development	9. The 2nd CP focuses on increasing demand for Adolescent SRH services through raising community awareness about available services and integration of adolescent health education in schools.	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic Adolescent and Youth	10. Strengthen consolidation of youth programming and coordination in the country through the development of a national youth policy and strategy, including implementation action plan, while at the same time continue to build the capacity of the youth on leadership skills and ability to influence policy and strategy.	Accepted	Medium	10. National Youth Policy	10. Provide technical support and guidance to government institutions for the development of a National Youth Policy and Strategy.	2024
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic GEWE	11. UNFPA, through its leadership in GBV/SS coordination should continue to rally counterparts to advocate for development and strengthening of legal and institutional frameworks for GBV response to ensure accountability to the affected populations.	Accepted	High	11. Institutionalization of the GBV prevention and response	11. Support the localisation of the GBV sub-sector coordination through involvement of Ministry of social affairs and relevant authorities.	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic GEWE	12. UNFPA Libya should continue to work with national counterparts for the mainstreaming and operationalization of gender issues in relevant national strategies and policies.	Accepted	Medium	12. VAW law	12. Advocate for the endorsement and support implementation of the developed draft VAW law in partnership with parliamentarians, government and CSOs.	2024

Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic Population Dynamic	13. UNFPA should ensure strengthening national capacities on data generation and policy formulation and programming, in addition to strengthening institutionalization of the utilization of data.	Accepted	High	13. Census preparation	13. Provide technical support for preparation and conduction of national population census using CAPI and GIS in data collection and building on other best practices through South-South and triangular cooperation (SSTC).	2023
Libya Country Programme Evaluation (2019-2022)	2022	Libya CO	Country Programme Evaluation (CPE)	ASRO	2019-2022	Programmatic Population Dynamic	14. Increase emphasis, resources and leverage on the unique mandate and competencies of the CO in PD to support advocacy and results in all focal areas for enhanced evidence-based programming.	Accepted	Medium	14. Investment case	14. Plan for an investment case on Family Planning for Libya.	2024
