

Evaluation report title	Year	Responsible Office	Eval. report type	Region		Period covered		Recommendation title	Recommendation text	Recommendation status (accepted, partially accepted or rejected)	Priority (high, medium or low)	Action point title	Action point text	Reporting focal point email (one for entire MR, usually M&E staff)	Implementation Year	Head of Office Email	Contributor Email (Request M&E Advisor)
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2025	12/1/24	1. Strengthen strategic partnerships and national capacity for enhanced advocacy on policy and strategy implementation and monitoring	The UNFPA CO should make deliberate efforts to strengthen partnerships and advocacy for the implementation of the policies and strategies, enhancing the achievement of the UNFPA mandate in the country. The role and capacity of the government and local CSOs is implementing and monitoring the policies and strategies should be clear and strengthened to enhance the effectiveness and sustainability of the 10th CP.	Accepted	High	1.1 Stakeholders' roles in the policy and strategy implementation	1.1.1 The CO will select its government and non-governmental implementing partners (IPs) through its Policy and Procedures for Selection, Registration and Assessment of Implementing Partners. For the implementation of the 10th CPD, the CO will share an invitation for proposal (IFP) or call for expression of interest (CFE) with potential organizations whose work is closely related to UNFPA's mandate. The CO will assess the identified partners prior to their selection and identify the roles of each partner based on their area of expertise.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2026	12/1/24	1. Strengthen strategic partnerships and national capacity for enhanced advocacy on policy and strategy implementation and monitoring	The UNFPA CO should make deliberate efforts to strengthen partnerships and advocacy for the implementation of the policies and strategies, enhancing the achievement of the UNFPA mandate in the country. The role and capacity of the government and local CSOs is implementing and monitoring the policies and strategies should be clear and strengthened to enhance the effectiveness and sustainability of the 10th CP.	Accepted	High	1.1 Stakeholders' roles in the policy and strategy implementation	1.1.2 The CO will build the capacities of the government and national IPs, equipping them with knowledge and tools to contribute to the UNFPA mandate and enhance the effectiveness and sustainability of the 10th CP.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2027	12/1/24	1. Strengthen strategic partnerships and national capacity for enhanced advocacy on policy and strategy implementation and monitoring	The UNFPA CO should make deliberate efforts to strengthen partnerships and advocacy for the implementation of the policies and strategies, enhancing the achievement of the UNFPA mandate in the country. The role and capacity of the government and local CSOs is implementing and monitoring the policies and strategies should be clear and strengthened to enhance the effectiveness and sustainability of the 10th CP.	Accepted	High	1.2 Advocacy and Partnership	1.2.1 The CO will champion high-level advocacy through partnerships within the UN, donors, and other key stakeholders in the country, including local civil society organizations (CSOs), to address existing development and humanitarian needs. This includes partnerships with the private sector, bilateral and multilateral donors, alliances with members of the government, parliamentarians, and CSOs, and close cooperation with UN agencies. In this context, the CO has started to develop two strategic documents on Resource Mobilization and partnership Plan and Strategy.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2028	12/1/24	2. Strengthen coordination within the UNCT/HCT and other inter-agency coordination mechanisms, government, local CSO and donors and explore opportunities for integration of mandate.	The CO should continue building and further strengthening partnerships with United Nations agencies, the Government of Ethiopia, CSOs, Private sectors and academia, among others, in its areas of mandate. It should maintain a proactive role in facilitating UNCT/HCT coordination utilizing its comparative advantage and increasingly explore opportunities for collaboration and joint programming and advocacy initiatives.	Accepted	Medium	2.1 Coordinate GBV within the UNCT/HCT.	2.1.1 Support the MoRWSA to organize GBV Add coordination forums at national and regional levels in 8 regions.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2029	12/1/24	2. Strengthen coordination within the UNCT/HCT and other inter-agency coordination mechanisms, government, local CSO and donors and explore opportunities for integration of mandate.	The CO should continue building and further strengthening partnerships with United Nations agencies, the Government of Ethiopia, CSOs, Private sectors and academia, among others, in its areas of mandate. It should maintain a proactive role in facilitating UNCT/HCT coordination utilizing its comparative advantage and increasingly explore opportunities for collaboration and joint programming and advocacy initiatives.	Accepted	Medium	2.2 Coordinate SRH within the UNCT/HCT.	2.2.1 Support the MoH to organize SRH TWO coordination forums at national and regional levels in 8 regions.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2030	12/1/24	2. Strengthen coordination within the UNCT/HCT and other inter-agency coordination mechanisms, government, local CSO and donors and explore opportunities for integration of mandate.	The CO should continue building and further strengthening partnerships with United Nations agencies, the Government of Ethiopia, CSOs, Private sectors and academia, among others, in its areas of mandate. It should maintain a proactive role in facilitating UNCT/HCT coordination utilizing its comparative advantage and increasingly explore opportunities for collaboration and joint programming and advocacy initiatives.	Accepted	Medium	2.3 Promote GBV/SRH Integrated programming	2.3.1 Support MoRWSA, MoH, and MoJ, develop service guidelines, and training manuals for Ethiopia's National GBV/SRH key psychosocial services, health, and access to justice pillars.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2031	12/1/24	3. Enhance operational efficiency	The UNFPA CO should strategically reassess its geographical presence in the country and align it to its resource (financial, human and administrative) capacity for maximisation of results. There is also a need for more concerted efforts to improve the planning and funding disbursement mechanisms with the IPs and the government for increased efficiency in the delivery of results. Additionally, the CO should strategically continue to reinforce programme integration.	Accepted	High-Medium	3.1 10th CPD	3.1.1 The 10th CPD is approved which is aligned strategically to the country's needs and context, UN cooperation framework, UNFPA's current strategic plan and business model, and reflects UNFPA's comparative advantage in the country.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2032	12/1/24	3. Enhance operational efficiency	The UNFPA CO should strategically reassess its geographical presence in the country and align it to its resource (financial, human and administrative) capacity for maximisation of results. There is also a need for more concerted efforts to improve the planning and funding disbursement mechanisms with the IPs and the government for increased efficiency in the delivery of results. Additionally, the CO should strategically continue to reinforce programme integration.	Accepted	High-Medium	3.2 Business Unit Light Restructuring	3.2.1 Assess and conduct a light adjustment and restructuring of the business in conjunction with the approval of the new CPD and its implementation plan.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2033	12/1/24	3. Enhance operational efficiency	The UNFPA CO should strategically reassess its geographical presence in the country and align it to its resource (financial, human and administrative) capacity for maximisation of results. There is also a need for more concerted efforts to improve the planning and funding disbursement mechanisms with the IPs and the government for increased efficiency in the delivery of results. Additionally, the CO should strategically continue to reinforce programme integration.	Accepted	High-Medium	3.3 Selection and training of the IPs	3.3.1 Strategically select, and optimize the number of IPs and train them for the optimal implementation of the 10th CPD.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2034	12/1/24	3. Enhance operational efficiency	The UNFPA CO should strategically reassess its geographical presence in the country and align it to its resource (financial, human and administrative) capacity for maximisation of results. There is also a need for more concerted efforts to improve the planning and funding disbursement mechanisms with the IPs and the government for increased efficiency in the delivery of results. Additionally, the CO should strategically continue to reinforce programme integration.	Accepted	High-Medium	3.4 Training of staff	3.4.1 Orientation of staff on new CPD, business model and implementation strategies to achieve results ensuring compliance to organizational policy & procedures.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2035	12/1/24	4. Improve knowledge management and M&E for increased evidence-based decision-making.	The CO should strengthen its knowledge management function for enhanced learning across the organization. The CO should ensure that the M&E data tools capture disaggregated data according to the beneficiary groups targeted by the CP, in addition to enhancing advocacy for increased focus on results.	Partially accepted	Medium	4.1 Disaggregated data	4.1.1 Review the data collection process and tools to ensure the availability of data disaggregation. The transition from offline to online systems and integrate disaggregation into DHIS2, aligning with the target groups identified in the CP.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2036	12/1/24	4. Improve knowledge management and M&E for increased evidence-based decision-making.	The CO should strengthen its knowledge management function for enhanced learning across the organization. The CO should ensure that the M&E data tools capture disaggregated data according to the beneficiary groups targeted by the CP, in addition to enhancing advocacy for increased focus on results.	Partially accepted	Medium	4.2 Knowledge management (Programme)	4.2.1 Develop a systematic process for documenting and sharing lessons learned, and ensure IP managers integrate knowledge management activities, including human stories and key learnings, into their work plans.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2037	12/1/24	4. Improve knowledge management and M&E for increased evidence-based decision-making.	The CO should strengthen its knowledge management function for enhanced learning across the organization. The CO should ensure that the M&E data tools capture disaggregated data according to the beneficiary groups targeted by the CP, in addition to enhancing advocacy for increased focus on results.	Partially accepted	Medium	4.3 Knowledge management (Learning Committee)	4.3.1 Continue developing the learning plan and stay strict with the implementation plan.	<a href="mailto:ipak@unfpa.org">ipak@unfpa.org</a>	12/31/2025	<a href="mailto:ksawnet@unfpa.org">ksawnet@unfpa.org</a>	<a href="mailto:dhima@unfpa.org">dhima@unfpa.org</a>

Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2038	12/1/24	5. Reinforce Resilience building and HDP Nexus Programming	The CO should ensure increased focus on resilience building to enable the crisis-affected populations to adapt and recover from the effects of the conflict and disasters. It should strengthen the integration of HDP nexus approach for longer term results among the affected population and increase integration of the peace component and the engagement of the youth in the peacebuilding activities.	Partially accepted	High	5.1 HDP nexus programmes	5.1.1 UNFPA will continue designing programmes rather than projects that address HDP nexus and resilience-building interventions	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2025	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2039	12/1/24	5. Reinforce Resilience building and HDP Nexus Programming	The CO should ensure increased focus on resilience building to enable the crisis-affected populations to adapt and recover from the effects of the conflict and disasters. It should strengthen the integration of HDP nexus approach for longer term results among the affected population and increase integration of the peace component and the engagement of the youth in the peacebuilding activities.	Partially accepted	High	5.2 Health facility support	5.2.1 UNFPA will continue on supporting health facilities in the provision of life saving supplies and medical supplies and equipment for system strengthening	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2025	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2040	12/1/24	5. Reinforce Resilience building and HDP Nexus Programming	The CO should ensure increased focus on resilience building to enable the crisis-affected populations to adapt and recover from the effects of the conflict and disasters. It should strengthen the integration of HDP nexus approach for longer term results among the affected population and increase integration of the peace component and the engagement of the youth in the peacebuilding activities.	Partially accepted	High	5.3 Donors mapping	5.3.1 Mapping of new donors and strengthening partnerships for additional resource mobilization to strengthen resilience-building activities for areas with UNFPA limited presence	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2025	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2041	12/1/24	5. Reinforce Resilience building and HDP Nexus Programming	The CO should ensure increased focus on resilience building to enable the crisis-affected populations to adapt and recover from the effects of the conflict and disasters. It should strengthen the integration of HDP nexus approach for longer term results among the affected population and increase integration of the peace component and the engagement of the youth in the peacebuilding activities.	Partially accepted	High	5.4 Mobile Health and Nutrition Clinics	5.4.1 Piloting and testing mobile health and nutrition clinics for comprehensive SRH and GBV services to the hard-to-reach pastoralist communities who don't have access to services and information	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2025	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2042	12/1/24	6. Strengthen evidence-based programming and integration of SRH, FP, HIV, Cervical Cancer and GBV at the implementation level	Advance evidence generation in the SRH programming for increased evidence-based decisions in the formulation and execution of interventions. Increase delivery of integrated SRH programming (SRH, FP, HIV, Cervical Cancer and GBV) at the field implementation level for enhanced results and efficiency.	Partially accepted	High	6.1 Advocacy	6.1.1 UNFPA will provide technical and financial support to advocate for the integration of SRH and GBV at all levels of the healthcare system	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2043	12/1/24	6. Strengthen evidence-based programming and integration of SRH, FP, HIV, Cervical Cancer and GBV at the implementation level	Advance evidence generation in the SRH programming for increased evidence-based decisions in the formulation and execution of interventions. Increase delivery of integrated SRH programming (SRH, FP, HIV, Cervical Cancer and GBV) at the field implementation level for enhanced results and efficiency.	Partially accepted	High	6.2 Financing	6.2.1 UNFPA will provide catalytic funding for the integration and advocate for innovative financing	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2025	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2044	12/1/24	6. Strengthen evidence-based programming and integration of SRH, FP, HIV, Cervical Cancer and GBV at the implementation level	Advance evidence generation in the SRH programming for increased evidence-based decisions in the formulation and execution of interventions. Increase delivery of integrated SRH programming (SRH, FP, HIV, Cervical Cancer and GBV) at the field implementation level for enhanced results and efficiency.	Partially accepted	High	6.3 System strengthening	6.3.1 UNFPA will support health system strengthening interventions which will help integrate the SRH and GBV services	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2045	12/1/24	6. Strengthen evidence-based programming and integration of SRH, FP, HIV, Cervical Cancer and GBV at the implementation level	Advance evidence generation in the SRH programming for increased evidence-based decisions in the formulation and execution of interventions. Increase delivery of integrated SRH programming (SRH, FP, HIV, Cervical Cancer and GBV) at the field implementation level for enhanced results and efficiency.	Partially accepted	High	6.4 Humanitarian response	6.4.1 UNFPA will support the health system to provide life saving interventions for Communities affected by humanitarian crises	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2025	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2046	12/1/24	6. Strengthen evidence-based programming and integration of SRH, FP, HIV, Cervical Cancer and GBV at the implementation level	Advance evidence generation in the SRH programming for increased evidence-based decisions in the formulation and execution of interventions. Increase delivery of integrated SRH programming (SRH, FP, HIV, Cervical Cancer and GBV) at the field implementation level for enhanced results and efficiency.	Partially accepted	High	6.5 Coordination	6.5.1 UNFPA will play a critical role in the GBV OR and SRH coordination mechanisms to harmonize and align investments in SRH and GBV	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2047	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.1 Promote positive masculinity	7.1.1 Engage more men and boys in GBV prevention intervention including community conversation sessions, school clubs, and media, activities focusing on behavioral change communication to promote positive gender and social norms to address GBV, FGM and early marriage. Community Conversations Manual revised to re-imagine engagement with communities and address social and gender norms	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2048	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.2 Policy revision and rollout	7.2.1 Support MDWSA to finalize the GBV Policy and Gender equity policy and roll it out to regions.	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2049	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.3 GBV/HP referral systems	7.3.1 Identify project windows, undertake service mapping, strengthen GBV referral pathways in collaboration with partners and regularly update the referral pathways using up-to-date information	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2050	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.4 Capacity development	7.4.1 Build the capacity of the justice sector to ensure timely provision of legal response services to survivors of GBV	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>
Ethiopia Country Programme Evaluation (2020-2025)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2051	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.5 Strengthen coordination	7.5.1 Strengthening coordination mechanisms across workforces (health, justice and social service) on gender and norm change through evidence-based assessments.	<a href="mailto:fpak@unfpa.org">fpak@unfpa.org</a>	12/31/2026	<a href="mailto:bsw@unfpa.org">bsw@unfpa.org</a>	<a href="mailto:chima@unfpa.org">chima@unfpa.org</a>

Ethiopia Country Programme Evaluation (2020-2023)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2052	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.6 Localization	7.6.1 Build the capacities and engage women-led organizations and government women structures to implement projects at all levels.	<a href="mailto:lpak@unfpa.org">lpak@unfpa.org</a>	12/31/2026	<a href="mailto:Assew@unfpa.org">Assew@unfpa.org</a>	chima@unfpa.org
Ethiopia Country Programme Evaluation (2020-2023)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2063	12/1/24	7. Advance gender transformative approaches targeting social behaviour change and strengthen the policy and legal frameworks for improved gender equality and elimination of harmful practices.	The CO should continue advancing the advocacy mechanisms against negative social gender norms with increased engagement of religious leaders and groups, traditional leaders, and promotion of positive masculinity through male engagement. It should increase engagement and advocacy on strengthening gender-related policy and legal systems and implementation.	Partially accepted	High	7.7 Livelihood	7.7.1 Integrating skill-building and economic strengthening components as part of GBV response packages.	<a href="mailto:lpak@unfpa.org">lpak@unfpa.org</a>	12/31/2026	<a href="mailto:Assew@unfpa.org">Assew@unfpa.org</a>	chima@unfpa.org
Ethiopia Country Programme Evaluation (2020-2023)	2024	Ethiopia CO	Country Programme Evaluation (CPE)	ESARO	Evaluation Coverage Time Period	2020-2054	12/1/24	8.
