

Costed Evaluation Plan Paraguay 2025-2029

Costed Evaluation Plan Paraguay	
Programme Cycle	Paraguay, 9 th Country Programme 2025-2029
Gap mapping/analysis of relevant evaluative evidence and knowledge gaps that are strategically important to inform the design and implementation of the upcoming country programme	<ul style="list-style-type: none"> ● An evaluation of strategic results will be carried out within the framework of the CPE and will serve as a basis for the next programming cycle. ● During the 9th cycle of cooperation, evaluations will be implemented mainly with government allies, and with the United Nations agencies, funds and programmes, on State policies, programs and initiatives that contribute to the 3RT, for which UNFPA will mobilize resources. ● The UNFPA office will coordinate the collection and use of information to monitor and evaluate activities with implementing partners in the Government, civil society and other United Nations organizations. Follow-up field visits and meetings with relevant partners will be conducted at least once a year. ● UNFPA and the Government will monitor the program in accordance with UNFPA policies and procedures.
Country Programme priority areas	<ul style="list-style-type: none"> ● In the framework of its 9th Country Programme 2025-2029, the UNFPA Country Office will promote the implementation of four interconnected outputs: Policy and accountability; Coverage and quality services; Adolescence and Youth and Population and data, pursuing the complementarity of interventions across development-humanitarian-peace contexts (NEXUS) and resilience-building interventions, including disaster risk reduction and climate change adaptation. <p>The Programme will aim at closing equity gaps in access to family planning and maternal health, contributing to the prevention of adolescent pregnancy and maternal mortality reduction, in line with national policies. It will also advance efforts for the prevention and care for victims/survivors of violence and harmful practices, particularly child marriage and early unions.</p>

Evaluations							
Evaluation title	Goal and main objectives of the evaluation	Type of evaluation (formative, summative, mid-term evaluation, project, programme, joint evaluation, meta-synthesis etc)	Start and end date (Month, Year) Note: The final CPE report should be available in time to inform the strategic dialogue white paper or well in advance to inform formulation of the draft country programme document (CPD) ¹	Country programme or specific programme or project budget Note: Provide the overall budget for the country programme (in the case of CPE) and the project budget (in the case of project evaluations)	Evaluation estimated cost in US\$ ²	Source of Funding Note: Indicate source of funding from regular and other resources. Pls note owing to their nature, CPEs should be funded from regular resources	In case of joint evaluation, indicate partners
Project Evaluation “Improving the response to human trafficking”	Evaluate project results at the donor's request (AECID). Identify of key achievements, challenges, lessons learned and recommendations	Final evaluation	January to June, 2025	US\$ 250K	US\$ 4K	Project mobilized resources (ESA47) Additional funds will be available from AECID	AECID
Project Evaluation “Prevention of	Evaluate results; identify the project’s key achievements,	Final Evaluation	July to December, 2026	US\$ 330K	US\$5K	Project mobilized resources (AECID)	AECID
