This event will present the findings of the 2018 assessment of UNFPA by the Multilateral Organisation Performance Assessment Network (MOPAN). The full assessment report, performance brief, and management response can be found at: <http://www.mopanonline.org/assessments/unfpa2017-18/index.htm>

MOPAN is an independent network of countries that share a common interest in enhancing accountability, transparency, and effectiveness in the multilateral system by assessing the performance of multilateral organisations that they fund. MOPAN assessments provide a snapshot of organizations through strategic, operational, relationship and performance management, as well as development effectiveness.
